

Vehicle Aftermarket Solutions

Comprehensive aftermarket solutions

A BROAD RANGE OF PREMIUM PRODUCTS AND SERVICES:

The latest technology and expertise in original equipment and racing equipment technology is in the DNA of SKF

- Complete kit repair concept. Everything needed for the installation is included
- Safe packaging
- E-catalogue expertise (premium tecdoc data as exemple)

ABEST IN CLASS LOGISTICS:

- Dedicated aftermarket logistic footprint 24/7 online parts ordering and next day delivery
- Tailored logistic offer

Leading the automotive evolution

For decades SKF has been a trusted OE supplier to the world's top car manufacturers and racing teams.

We have been a supplier to racing teams like Bugatti and Ducati since 1930 and to Ferrari since 1947, the longest partnership in motorsport history.

DEDICATED SUPPORT SERVICE:

- Phone and e-mail helpline
- Training programs
- Specific fitting instruction
- Tutorial videos on Youtube channel

SKF is also a trusted original equipment supplier to the world's leading automakers and commercial vehicle manufacturers.

We work with the major global EV and HV manufacturers with innovative solutions.

By 2030, all SKF production facilities will have net zero greenhouse gas emissions and by 2050, our full supply chain will be net zero.
